GROUP 1 - INTRODUCTION: FURTHER INFORMATION

The intention of the Introductory Group is to offer people who have an interest in the Spiritual, Metaphysical and Alternative Health Modalities an opportunity to meet and share their views, queries and opinions with kindred spirits in a welcoming, comfortable environment.

The selected texts for this group are chosen with a view to introducing people who may not have been involved in any spiritual development before and also for those who may feel the need to re awaken their interest and direction in life.

For this reason the texts are a stepping stone and provide the focus for 4 varied themes, to allow for a broad exploration of topics. The texts all do however, link in to each other in a rather interesting way, therefore consolidating some new themes, some of which include: Angel communication; Abundance; Chakras; Dead Sea Scrolls; Relaxation; Mary Magdalene; Kabbalah; Abundance; Affirmations and even Prayer.

TIMETABLE

The format of the timetable is such, that each term the focus will be varied.

I will be encouraging people to commit at least to a block of 2 sessions at a time. This will hopefully ensure some continuity and also a harmonious, friendly environment conducive to interesting, thought provoking discussions.

All participants are more than welcome to apply for all 8 sessions i.e. Term 1, Term 2, Term 3 and Term 4 at the commencement of the group, (those preferring to do so will receive a 10% discount card and a complimentary gift).
